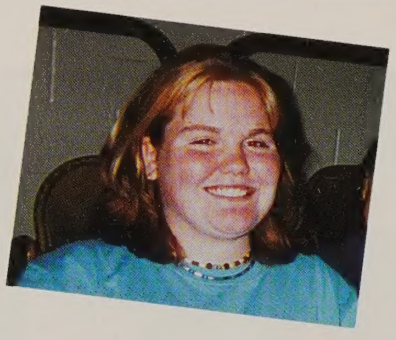
A Living Kaleidoscope



As the many shapes and colors of a kaleidoscope come together with every twist, the lives of each student at Hopewell High School are shaped by the events that happen within it's walls. Each person brings his or her own character and ideas into the group. From quizzes to tests, from lunches to study halls, from games to dances, and from friendships to hardships, we come to realize something important. We realize that now is the time to shine brighter than ever before and to show the world that the future will be left in capable hands.

Our Season In The Sun

The first thing a person thinks when he or she looks at the sun is of the brilliance radiating off of it. The light is unmatched and casts a shimmer on everything it touches. At HHS this light comes from the students and among the brightest is the Class of 2000. It is the year for the senior class to shine.

Like every class before we started off as mere freshman. We were completely confused with high school life, the unknown, and even a little scared. We were impressed with the upperclassmen, their age, attitude, and simply who they were. We awaited the year that we would be seniors, and we made it to the cherished senior circle. With senior year came the senior tables, the senior bathrooms, and unfortunately the loss of our senio parking.

There are times we will never forget: the smiles of a winning team, Homecoming, Senior Dinner Dance, Prom and of course Graduation. It was within these halls that we shared these times and that we learned who we were. Though we finally attained the goals of winning the spirit stick and donning the blue and gold robes, it is sad to think that soon we will all go our separate ways. We don't know what the future will hold for us, or where we will be years from now, but we do know the years at Hopewell High School will always hold a special place in our hearts.

Graduation 1999

The 1999 graduation commencement began at 8:00 p.m. on the 18th day of June, 1999. It was a happy day for the 205 seniors graduating, but it was also sad because they had to say good-bye to their favorite teachers and high school. The seniors entered the stadium as our Marching band directed by Mr. Hannon Lane played the music.Latoya Mabry, the senior class president, presented reflections and gave the class president address. Salutatorian Tiffany Blevins and Valedictorian Russell Whitesides gave their speeches. Finally, Larry Cherry gave his SCA president address and Miss Keith awarded the diplomas. The musical selection by Mixed Company was "One Moment in Time" arranged by John Higgins.

"A Night Under the Stars"

On May 22, 1999, the Junior and Senior class gathered at Fort Lee Officer's Club. The Prom lived up to its theme, "A Night Under the Stars," when the skies cleared from a fresh summer rain that had ceased just before. Dates appeared in gowns and tuxedos with exquisite hair-do's and beautiful corsages.

Couples danced the night away as the guest D.J. pumped lively, poplar music. The music was accompanied by Music Video Dance from the Electronic Video Company. Three screens displayed the music videos.

Everyone put his best face forward as LifeTouch Pictures photographed the enchanted evening. Seniors performed the traditional Senior Walk. Mr. Philando Cooks and Miss Amanda McCaffery were crowned King and Queen. Something new was added to the Prom of 1999... the coronation of a Junior Prince and Princess. Mr. Michael Delane and Miss Rashika Shamburger took this honor.

Too Hot To Handle

Spirit week is a beloved tradition of Hopewell High School that takes place during the week preceeding the homecoming game. The week is full of activities in which students can show off their spirit for their Alma Mater. Among the more popular activities of the week are the themed days where students can dress up in ways that are completely out of the question on any other regular school day. Spirit week began on Monday as Weird Hair Day. This is a day where people wore their hair in odd and extraordinary styles. Tuesday was designated as Old School Day. Hippies and flower children again walked the halls in bell-bottoms and sunshades. On Wednesday,the fashion police were on full alert as Mix Match Day brought in people wearing stripes with plaids and colors that should never be worn together. Mass confusion ruled on Thursday when the boys donned skirts and the girls suddenly gained facial hair on Gender Bender Day. Friday was Spirit Day. Students sported their school colors, buttons, ribbons and attire for the homecoming pep rally.

Other activities of the week were the spirit link contest, the hallway contest, and the bonfire. Spirit week came to a close with the homecoming parade ending at the stadium.

Too Hot To Handle

Friday of October 22 found the students of HHS excessively happy from Thursday's bonfire and the impending Pep Rally later that afternoon. Students went wild as they wished the best of luck to our Hopewell football players. Though Seniors won the Spirit Link contest with a total of 4639 links, it was the Sophomores who took the Spirit Stick home. They also won the hall decoration contest. After a short parade of the school floats to Merner field, the Hopewell Blue Devils killed the Colonials 51-10. Afterwards students returned to the high school for the dance. Guest D.J. Dwight Ellis pumped today's hottest beats into the cafeteria as students danced the night away.

Am I Dreaming

The evening unfolded as thirty-one juniors walked across the stage to compete for the title of Miss HHS. Sequins and slits, fitted to princess, each contestant stood out in their own way. Some chose bright colors while others chose the more traditional black gowns. No matter the choice, it was definitely a night to behold.

As the night wore on, and the judges made their decisions, the count came down to ten. The finalists were Whitney Porter, Erin Ruxer, Marcie Roark, Allison Newman, Kathryn Hunt, Carrie Morissette, Tawanna Priest, Sherri Capps, Brenmarie Velez-Munoz, and Angela Bell. After answering the question, "What will be the biggest challenge facing the 2000 generation babies?" the decision was made. At the end, Brenmarie walked away with the coveted title.

In this pageant, there was also a new addition. The Mr. HHS pageant took place. Ten young men escorted the contestants out, and competed for their own title. Jacob Meador was voted the winner of this honor.

Relay for Life

Devils Score For a Cure

On Friday, May 14, thirty-one HHS students representing Distributive Education Clubs of America, Student Council Association, Forensics, Beta Club, and National Honor Society raised $1, 825 for the American Cancer Society's Relay for LIfe. The students took turns walking the high school track from 8:00 P.M. until 8:00 A.M. They enthusiastically lived up to their camp theme "Devils Score for a Cure."

The team committed their time and energy on behalf of friends and family who have suffered from cancer, especially fellow Hopewell students Amber Joyner and Larry King and parents Mary Gotay and Jeanie Meador.

QUILTERS

Lights began to dim, voices fell silent, and the air took on the mystical tangibility of theatrical magic...

Amber Culpepper announces the completion of the pattern "Windmill."

On the nights of April 22, 23, and 24, in Hopewell High's own auditorium, seven young actresses: Amber Culpepper, Latisha Cochran, Carly Daniels, Molly Meadows, Crystal Platz, Amber Shultz, and Mary Van Ness, performed Molly Newman and Barbara Damashek's *Quilters*. This powerful musical centers around Sarah McKendree Bonham, a pioneer woman who is creating a quilt for her six daughters. The story is artfully told through memories, each told by a different girl, and each memory is in turn made into a pattern to be woven into a block of the quilt. Each actress was called upon to play several other roles throughout the play, male as well as female at times. "It gave me the opportunity to bring out all sides of myself," Amber Shultz commented, remembering the various parts she'd played. Mary Van Ness was pleased with the concept, saying, "we play different roles every day of our lives, depending on who's around." The play was performed after three grueling months of rehearsing, designing, singing, and quilting. Mrs. Carole White directed the event. Having been at Hopewell High for twenty years teaching biology and English, she was ecstatic about this chance to show her stuff in her first year as a drama teacher.

The actual quilters of the story's central quilt were women recruited from Chester, Varina, Powhatan, and Hopewell. These talented ladi crafted many classic designs such as Double Wedding Rings, Country Crossroads, Windmill, and Butterfly Several homemade props helped bring pioneer realism to the set, most notable of which was the small-scale windmill by Gayle Whit and Charlie Taylor of the McLean Contracting Company. Overall, th touching play entertained and moved it's audience, creating a precedent which following drama classes will be hard-pressed to fulfi next year. Mrs. White hopes to perform the classic *Arsenic and O Lace*.

Juniors Take A Turn At Shining Through With Their Class Rings

Receiving a class ring has always been a time-honored tradition for juniors. The students ordered their rings their sophomore year and received them at the beginning of their junior year. The ring ceremony for the class of 2001 was held at 3:00 p.m. on October 14, 1999 in the auditorium. After the ceremony, juniors went to the library to enjoy refreshments and to admire and turn each other's rings. According to tradition, each member of the class of 2001 will have their rings turned 101 times.

Dance The Night Away

Senior Dinner Dance

The Senior Dinner Dance was held at Jordan Point Country Club in Prince George. It began at seven p.m. on the night of March 13. Fifty to sixty seniors and their guests were in attendance dressed in sharp suits or elegant dresses. Dinner was served on tables decorated with candles and glitter. The rest of the night was filled with laughter and dancing until the party ended at 11:00 p.m. Yolanda Vaquez seemed pleased with the evening, saying, "It took two weeks to get everything together, but it was worth it. I'm so glad everyone had such a good time."

Wendy Caudell, Andi Papadopoulus, Carly Daniels, Tiffany Blevins, Virginia Danieley, Julie Carr, and Blair Hedgepeth are dressed to impress.

Mrs. Melanie Knowles, the senior class sponsor, brought everyone together by making this night possible.

Larry Cherry, Philando Cooks, Javon Moore, Marcus O'Neill, Daniel Moona, Jared Dunn and Kevin Miles gathered together for some 'guy talk.'

You Must Have Been A Beautiful Baby...

Are You Up To The Challenge?

We've all heard the stories. "Why, when I was a kid, I had to walk to school every day in forty feet of snow wearin' just a fifty-pound back-pack!" Well, have you ever wondered just what some of Hopewell's faculty were *really* like? We've decided to give you the opportunity to find out. On the following pages there are pictures of a few of the crew members here at HHS. We've given you the names to work from, but if you're really stuck you can find the answers on page 145. Good luck!

Teachers of the Year

Mrs. Karen Rhodes 2000

Mrs. Karen Rhodes began her teaching career in Hopewell in 1989. She attended East Carolina University for her BS Degree in English Education and Virginia Commonwealth University where she received her Masters in Curriculum and Instruction. Mrs. Rhodes currently teaches grade 10 and sponsors the National Honor Society. She also received an Outstanding Performance Award from the Hopewell School Board in 1997.

Mrs. Carolyn Whitlock 1999

Mrs. Carolyn Whitlock was born in Hopewell and graduated from Hopewell High School. She received a degree from Radford University and has been teaching history and Art and Crafts here for 26 years. She has sponsored the yearbook and the Class of 1991. Radford was a teacher's college so she was influenced by those who wanted to teach and thought it was a good career choice for a woman of the 60's.

Mr. Mike Hayes 1998

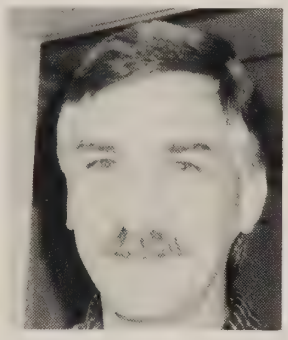
Mr. Mike Hayes was surprised and honored when he was named the teacher of the year. He was a HHS graduate and went to Virginia Tech and got a degree in Chemistry. He teaches Chemistry and Physics and has been a member of the faculty here for 20 years. His self-described goal is to "make science more interesting and relevant to everyday life." His greatest satisfaction is having students return to visit him after they have gone on and made something of themselves in life.

Mrs Carolyn Taylor 1997

Born an only child in Norfolk, Virginia, Carolyn Taylor was destined for teaching. It was all she ever wanted to do. She was inspired by her choir teacher at Booker T. Washington High School in Norfolk, Virginia. She attended Virginia State University and earned a BS and a Master's degree. She has taught history, mathematics, English and even physical education since her first year teaching at Carter G. Woodson Middle School. She has been honored with the Optimist Club Achievement in Education trophy. The best part of her job is getting to know her students, "not just knowing them as names but as real people."

Mrs. Brenda Pleasant 1996

A graduate of Hopewell High School, Mrs. Brenda Pleasant returned here to teach after attending Bridgewater College where she majored in English and French. In the past 28 years of teaching, she has taught every level of English. She has sponsored a junior class, a senior class the newspaper staff, and the National Honor Society--a sponsorship she continued for 20 years. She was inspired by her third-grade teacher who challenged students and who helped prepare them for the best future they could dream of. She has been a cooperating teacher for aspiring teachers and a mentor for gifted students and new teachers. Her hobbies include traveling, reading, and being a spectator at her son's sporting events.



Mr. Lester Bell 1994

Mr. Bell has been teaching for 15 years. He graduated from VCU and also attended Virginia Tech. He is a machinist by trade and after working for 11 years, he decided to become a teacher. He was born in Covington, Virginia and moved here in 1985. He also teaches class at John Tyler Community College. At HHS, one can find him teaching Precision Machining. He plans to continue teaching at the high school level or at an in-house industrial training program. His hobbies include hunting, fishing, and hiking.

Mrs. Linda Harris 1992

Mrs. Harris graduated from Hopewell High School in the late 60's and attended James Madison University where she earned a BS degree in Home Economics Education. She has been teaching for 16 years at HHS. She also taught at Carter G. Woodson. Her hobbies include rose gardening and cross stitching.

Jennifer Bennett takes off running after hitting the ball high in the air

The JV Softball team finished a roller coaster ride of many exciting moments and heart wrenching downfalls. Leading the team as captains were Jennifer Bennett and Latesha Peace. The players came together with enthusiasm and dedication for the game. They headed out every day to practice catching, sliding, and anything else they could find to do. The countless hours of practice paid off. Under the coaching of Ms. Nichols they finished the season with an overall record of seven wins, seven losses, and one tie.

Lady Blue Devils

Softball

The Varsity Softball team was off to a slow start at the beginning of the season. As time passed, the Lady Devils worked hard for wins. Therefore, they were able to snatch a few wins before ending the season. The Varsity team consisted of nine seniors, three juniors, and a freshman. The senior captains were Wendy Caudell, Andi Papadopoulos, Lori Collins, and Megan Goodrich.

With team sportsmanship and a little effort, the girls were 2-5 district and 3-8 overall. "The girls worked hard this year," says Coach Carlson. "I'm proud to have worked with them. Next year, we're looking forward to the district tournament." The Varsity Softball team will have upcoming J. V.'s to add to the roster.

One Track Mind

If you take the 1999 Valedictorian, some of the strongest people, the top athletes, plus a few others, and put it all together you will get the HHS Track Team.

Throughout the season Hopewell seemed to be looked down upon and expected to lose. Some teams even expected an easy victory, but that wasn't the case. The teams who beat Hopewell didn't win by qualifying, but by quantity. Even down to District, when more than half of the team was absent, they still had the same if not more people make it to regionals. Next year's team has a lot to live up to.

Varisty Boys Tennis

Ever heard of the phrases "good things come to those who wait" and "different is good?" Well both apply to the 1999 Varsity Tennis Team. Why is different good? At least this team doesn't have to worry about the seniors of the team picking on them, because there aren't any. The team is comprised of eight freshman players, one junior and a Coach, Mr. Frank Whipp. Scott Honaker commented that, "having all Freshmen is kind of an advantage. We'll be together for four years and get to learn as a team." Freshman Captain Clark Weigel agrees with his teammate. "In about three years we are going to crush, if everyone keeps practicing." They posted a 1-5 overall record. The only win of the season came courtesy of Prince George, posting an overall record of 1-5. Don't be mistaken, though, this team holds their own. "When they (opponents) come here, they'll be in for a dog fight," says Whipp. Keep a close watch over the Tennis team, they might just shock you.

Lady Devils Varsity Soccer

Spirit Shines Through

Although this year's team did not have many wins, their spirit and enthusiasm was no match for any opponent. The girls played hard, proving that it isn't whether you win or lose, it's making sure you have fun. Crystine Baynard seemed happy with the year, saying, "We did accomplish part of our goal. We had a lot of young, inexperienced people," but overall, "we played very well as a team."

With the majority of the team as returning sophomores and juniors it was a season to learn and rebuild. Through practices and injuries, the team faced a challenge of who to place where. Through it all the team played a great season. The Lady Devils will be ready to come back next year and blow away the competition.

From One Goal to the Next

The Varsity Soccer team faced a season with energy unmatched by any team. The team was led by seniors Rusty Wallace, Michael Allen, Kevin Harris, Marchello Ferrara, Marcus O'Neil, and Tommy Williams. The team would not be complete without the underclassmen adding to this line up. Derek O'Neil stepped up as the goalie, giving the Devils a strong defense. Under the coaching of Ted Breeden the team played a great season. No doubt the team will carry on the tradition next year.

Fun Day

On May 28th, 1999, Fun Day took place during fifth and sixth periods. The good thing about Fun Day is everyone can have a good time because it includes students, faculty, and the adminstrators. Tennis, basketball, volleyball, a baseball speed contest, board games, a movie, and the giant obstacle course,(which seemed to be the main event) were some of the the activities. Fun Day is a time to just hang out with friends. This year the SCA provided a disc jockey. Overall, Fun Day turned out great!

SCA stands for Student Council Association. The SCA has been a club ever since the beginnings of HHS. The SCA consists of thirty-two members. The President of the club is Michael Delane, and the Vice President is Kim Pope. The SCA holds meetings every six weeks. Some activities include the Hopewell Food Bank Food Drive and the American Cancer Society's Relay for Life. The SCA also sponsors FUN DAY!

Shining....

The Hopewell Beta Club is one chapter in the overall network of Beta Clubs around the nation. This group of students makes up the top students of Hopewell High School. Star athletes, vocal and concert band performers, dramatists, and others make up this club. Fifty plus members join together from all four grades to promote the principles of achievement, character, and leadership.

This year the Beta Club decided to run on a point system. Members must participate in certain events to earn points for the year. To earn these points and to work for the club the members have already helped with many projects. Last year, many members took part in the Relay For Life. This year they have purchased gift certificates for local orphans as well as working on the Book Buddies program. Beta Club has participated in the Angel Tree, and helped in any possible way to serve their school.

As the Homecoming Parade moved through the streets, was easy to see the winner. On the Medical Side

With the record that this club has, they can't go wrong. HOSA is a class designed to introduce the medical field for people who have an interest in the medical career. Some students who complete three years finish their fourth year by working in John Randolph Hospital. Others volunteer at the hospital or some the emergency crew. Here at Hopewell, HOSA holds a semi-annual blood drive and tries to inform the student body of other healthy ideas. Not only are the students involved locally, they stand out in national events. In competitions, the Health Occupations Student Association has been the top in Virginia for the past three years. Chris Miller is the VA HOSA Region I Vice President, Latoya Brown is the VA HOSA Secretary, and Jessica Prater is the VA HOSA Historian . Together they have led cheers, made friends, and won many events. This organizaton is one that can benefit everyone and is worth the class time.

Taking a Little Trip

Spouting Off

The whale watching trip has become a tradition at Hopewell. Biology classes each year pile on a bus, visit the Marine Science Museum, watch an IMAX movie, and board a boat. Clinging to the edge, everyone watches for a spout, hoping that a whale will breach. This year, the groups were lucky enough to see whales each day. Pictures were taken, a few sea-sick people were carried away, and everyone came home a little wet. -Erin Ruxer

Testing the Water

Taking samples, measuring levels and monitring the Bay are part of a day's work for Mrs. Dunlap's classes. This December they ventured to Honeywell to gain hands-on experience with CBL's. Students learned how to care for the water in order to keep it safe for all generations.

Art and Drama

Drama is a class that teaches the fundamentals of acting. It is designed to prepare students to enter Theatre Ensemble, where these skills are put to the test in an annual production hosted by Hopewell High School. Director Carol White was very excited about this year's play, "Arsenic and Old Lace," and can't wait to get started on next year's play.

The Art department has enriched many lives. It offers a creative outlet in the form of challenging projects. Many of the projects have been displayed in the library this year, such as the special desks.

The Shining Music Department

The Music Department is very big; it consists of Jazz Ensemble, Marching Band, Pep Band, Concert Band, Mixed Company, and Choir. The Jazz Ensemble and Mixed Company started off the year by going to Ashford Kent, England in July for the twinning of the two cities. The Marching Band has had a very busy and long year beginning their season in August for Band Camp. The Band has marched in several parades. The Jazz Ensemble has been busy this year with several performances. The Pep Band which also has members from the Marching Band and the Jazz Ensemble played at the home Boys Varsity Basketball games. Choir and Mixed Company had their first performance at the Optimist Club, which was a great success. They excelled in their performances for the Martin Luther King Jr. services held on January 16 and 17, in honor of King's great accomplishments. The Jazz Ensemble, Concert Band, Mixed Company and choir had fun traveling to the elementary schools to spread some Christmas cheer around Christmas time. The Marching Band, Jazz Ensemble, and Mixed Company will be taking their annual trip to Orlando, Flordia in May. The Music Department will be losing many of their Seniors this year, but they will also be losing a very valuable person, Mrs. Taylor upon her retirement. Mrs. Taylor will be terribly missed, but HHS thanks her for her dedication to the Music Department. The Music Department is looking forward to their Spring Concerts, and they represent our school very well .

The Photojournalism Club (more commonly know as the Yearbook Crew) is sponsored and directed by Stacey Hipps. Even though 99% of the class consisted of new students and they were using a brand-new publishing company and software called Jostens Yeartech, the crew managed to pull it together in the end.

The class of Creative Writing, taught by Mr. Don McMillan, publishes the literary magazine. This year they have proudly dubbed it, *The Paragon*. Students have the opportunity to submit their own pieces of poetry, narration, music, and art for publication.

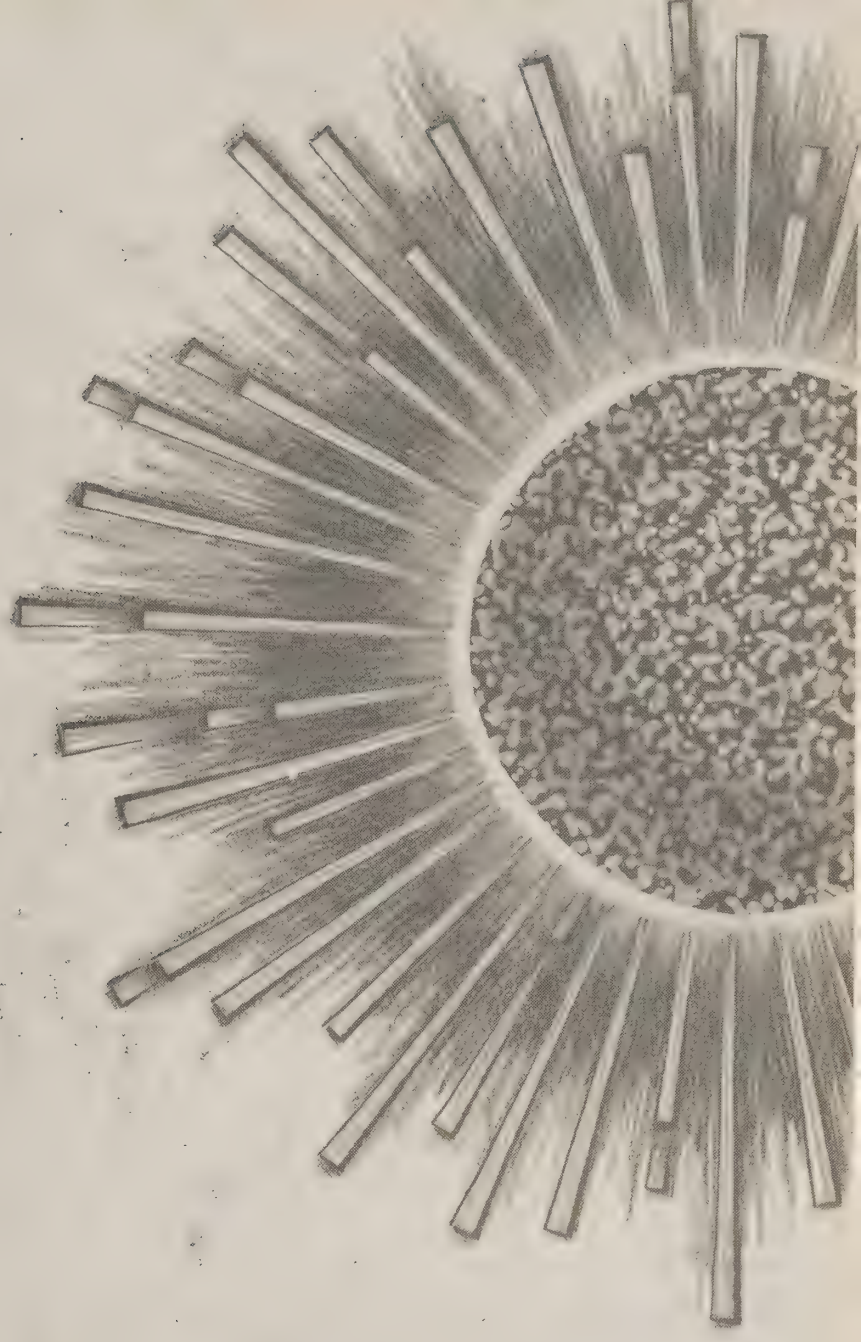
THE MAKING OF
CHAMPIONS



The Season That Shines

Sports

Going for the Endzone

The 1999-2000 Varsity Football team finished off the season with a 6-0 district record and a 10-2 overall record. They lost their second game, then went on to a nine game winning streak. Their streak ended in the Regional Finals where they lost 16-22 against Henrico. After an injury that halted their chances of a regional title last season, this year was their chance to retaliate.

With a lot of the seniors leaving after this year, next year might be a rebuilding year for the Blue Devils. As Senior Nick Sample stated, "Many of the key players this year will be leaving. But I do think that the players who are returning next year will be able to continue where we left off". With that being said, next year should be an eventfull year for Hopewell Football.

On October 18-19, they competed in the regional tournament, at the Prince George Golf Club and the Hermatige Golf Club. Even though the year might not have gone as well as the team wanted it to, many players made their own personal accomplishments. Girls Stick Together

Six-thirty a.m. comes early to everyone the first week of school. For the Hopewell High School field hockey team, it means a break. For two weeks, each player woke up in the dark, to practice for two hours. Running timed miles and countless drills, the girls prepared for a tough season. With no JV team, the varsity called on a few younger players to help out, but the majority of the team were juniors and seniors. Many changes were made in the line up including a new goalie. As the season progressed, it seemed that rain would stop every game. Yet through determination and a little damp weather, the girls pulled through. The stats may not have been the greatest, but the girls played their hardest and fought in each game. Nikki-Dibling Moore, Tina Ross, Lori Ashmore, and Kelly Danielka recieved district honors.

Junior Miss

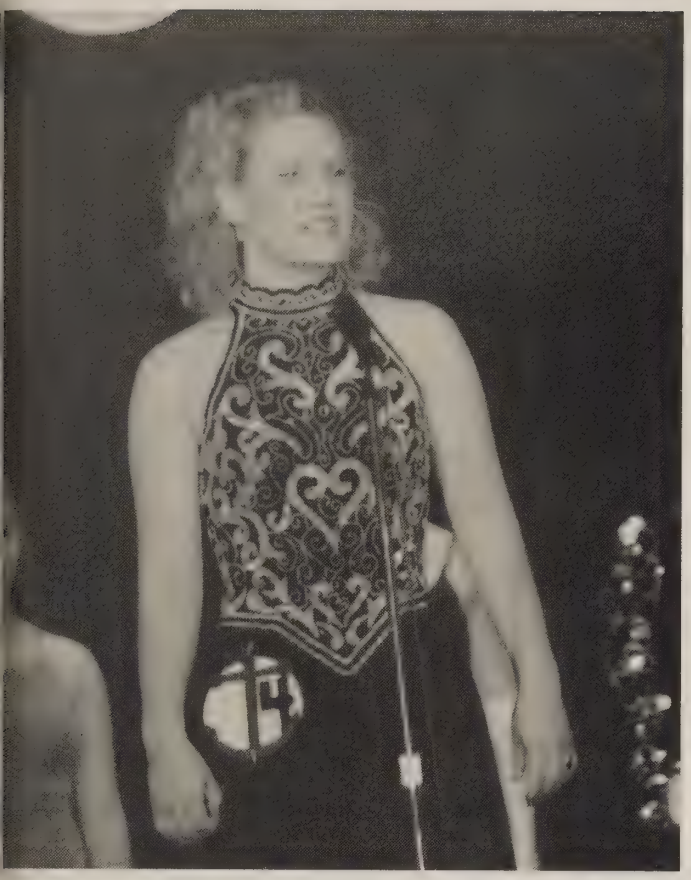
1998- The S.S. Junior Miss, 1999 La Fiesta Junior Miss

The 1999 Contestants of Junior Miss and their little sisters. From Hopewell, Erin Ruxer, and little sisters Jennifer Jackson and Meghan Lowrance.

The Talent Competition is known to all. This is the blue group from the 1999 pageant.

The Finalists from the 1999 Junior Miss Pageant.

Erin Ruxer was little sister for Blair Hedgepeth in the 1998 pageant.



Blair Hedgepeth greets the crowd and makes her thirty second speech during the Presence and Composure section.

The opening number routine for the 1999 pageant featured "The Cup of Life" by Ricky Martin.

ndships are always made in the hior Miss program. Here Blair dgepeth stands with two other ntestants.

Be Your Best Self

The Be Your Best Self Program is the basis of the Junior Miss Program. It encompasses the different aspects of a junior miss. These ideas include love, respect, honor, integrity, and character.

Each year amidst hours of practice, learning the steps to three and four routines, the girls come together to make friends. From the tri-cities area approximately 20 girls join the program. Competing in academic, talent, fitness, presence, and interview takes a lot of time. But each girl does her best to help one another.

Friendships are formed and memories are made. The night of the pageant there may only be o ne winner, but each category brings three winners, and overall each girl has learned to truly Be her best self.

In the 1998 pageant, Blair Hedgepeth competed with Erin Ruxer as her little sister. Blair performed an original dance, and placed excellent in every category. The following year Erin Ruxer competed, with Jennifer Jackson as her little sister. Erin used an original skit as her talent piece and also placed high in each category. Meghan Lowrance also served as a little sister in the 1999 pageant.

Assembly celebrates Black History Month of February 2000

On February 24, 2000, the choir and concert band opened up the celebration with, "Lift Ev'ry Voice and Sing,"(the Negro National Anthem). Mrs. Julia Pope, read a Proclamation from the commonwealth of Virginia office citing February as Black History Month. As the celebration continued the H.H.S. Concert Choir performed three more selections (*He Reigns, O' Magnify, and Come Thou Almighty King*). Important Black Leaders from Hopewell including Reverend Dr. Curtis W. Harris, Mr. Clarence Nicholas, Mrs. Brenda Pelham, Mr. Avon Miles, Mrs. Carolyn Taylor, and Miss Shantita Kane received recognition for their accomplishments.

Putting It All Together

Sharita Turner, Erin Ruxer, Ashley Eavey, Carrie Travis, and Aleisha Clayton. Just a little break during the year.

Lynette Morse shows that there is still time for fun during one of the class parties.

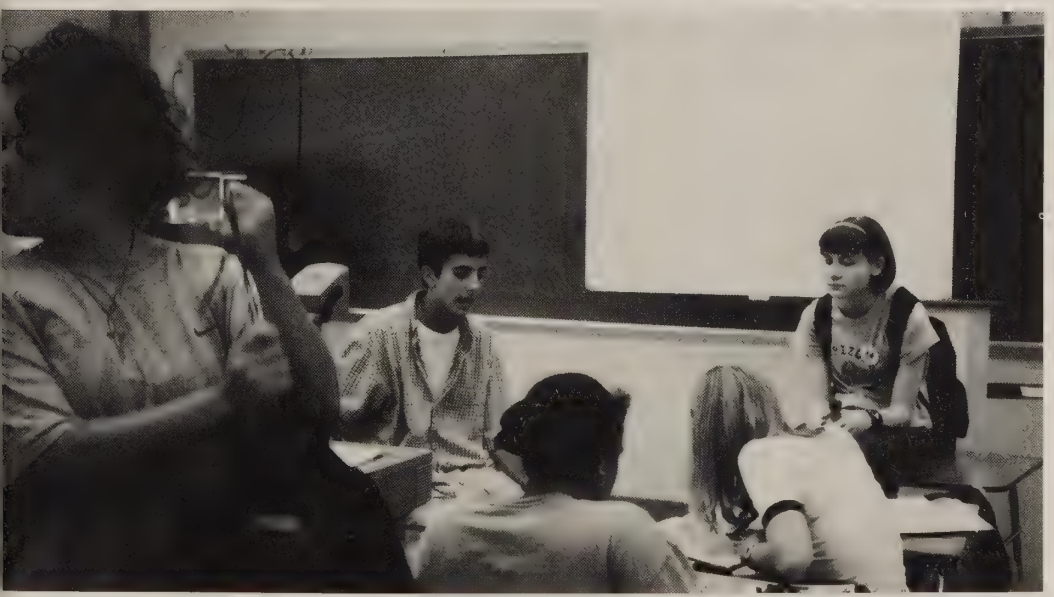
Seniors Sharita Turner and Erin Ruxer still smiling as the deadlines rush the class through.

Ashley Eavey sits back to watch, relaxing for just a minute.

With deadlines every few weeks, there is little time for a break. Yet everyone pulls together to get through...here Carrie Travis and Mrs. Hipps.

Carrie Travis and Ashley Eavey work on a layout. The time consuming job of choosing pictures, cropping, and trying to make the fit just right.

Seniors Sherri Capps and Erin Ruxer, are caught taking a break from the computer.



Sharita Turner and Sherri Capps are surprised by the sight of Col. Rice during Christmas time.

Everyone is hard at work to make one the ever present deadlines. Rebecca Leonard, Jonathan Livesay, Lynette Morse, Ivana Ivancinova, and Ashley Eavey are seen here.

A NOTE FROM THE EDITORS:

This year's Kaliedoscope was truly a group effort. We would like to thank all those who helped contribute to the creation of this yearbook, because without you none of this would be possible.

Thank you:

To the businesses that bought ads, to all the students, faculty, and administrators here at HHS who supported us in our endeavors, to the coaches (especially Coach Littlepage) for your time and energy in contributing stats, to Mrs. Patti Parker and Mrs. Barbara Scott for pictures, to Mrs. Sarah Cothern for her technical support with our 'unpredictable' computers, to Mrs. Jan DeFalco for her guidance with the new software, to Mrs. Stacey Hipps for sponsoring, supporting, and guiding us (it means a lot), and to the rest of the staff here at the Kaleidoscope.

Erin, your selfless sacrifice of time, energy, and braincells (from staring at a computer screen all day) has impressed me. Being new here at HHS, I had no idea just what it was that made you such a popular person. Now I know it is your unending charisma, optimism, ingenuity, and determination for finishing what you begin. I can honestly say I can think of no better person to be my co-editor, and will always treasure the memories of how well we teamed together.

Thank you,
Sam

Sam, I sit here trying to think of what to say to you, without sounding like a Hallmark card (you know we don't want that!), to tell you (gulp!) how great of an editor you are. I remember when you moved here from LCB, switched in my classes, and then I end up sharing a position with you. We started off the year, arguing and such, and though it may seem like I was hard to get along with, I could have never done it without you. Not only are you willing to work and always (almost) know what you're doing, you've put up with me. You've become a true friend and I will always remember the times we shared....I hope your years at Hopewell were great! Thanks for everything and good luck in all that you do, I know you will succeed. Erin

-This book of course is dedicated to everyone, especially to the senior class, congratulations we've come a long way!

Congratulations Graduates!

With many memories, the years have finally passed by and it is time to say goodbye to the Class of 2000.

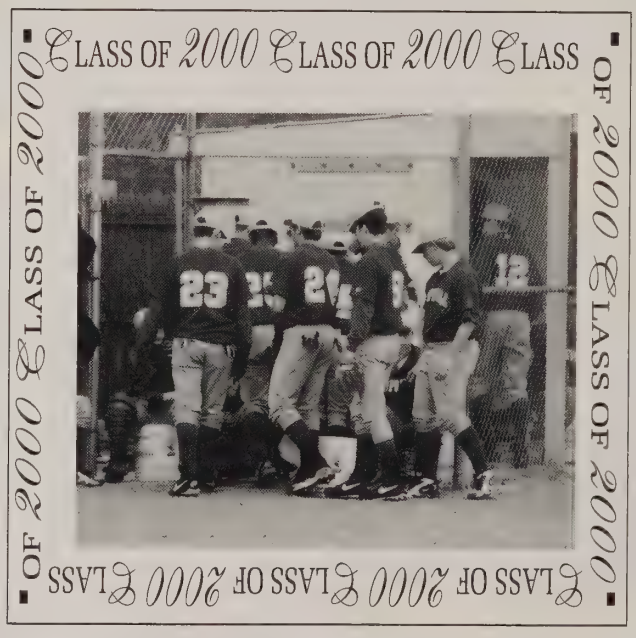
The Final Goodbye

The year 2000.....with all the millenium hype and fear....to us it has always meant one thing....graduation. The Class of 2000....like every other and like no other. We've been through dances and games, classes and those special moments after class when connections are made. We've made friends and we've learned to live. We've grown up together, and we will always cherish the memories that we made at Hopewell High School. With you I leave a piece of Dr. Seuss.

Erin Ruxer

Congratulations! Today is your day. You're off to Great Places! You're off and away!...You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose...You're on your own, And you know what you know, And you are the guy who'll decide where to go...You'll get mixed up as you already know. You'll get mixed up with many strange birds as you go. So be sure when you step. Step with care and great tact and remember that Life's a Great Balancing Act. Just never forget to be dexterous and deft. And *never* mix up your right foot with your left....Today is your day! Your mountain is waiting. So get on your way.

Oh! The Places You'll Go! Dr. Seuss



Goodluck to all, and congratulations to the Class of 2000!
